

Happy Holidays,

Holiday Greetings, and best wishes for a wonderful year ahead!

Love,

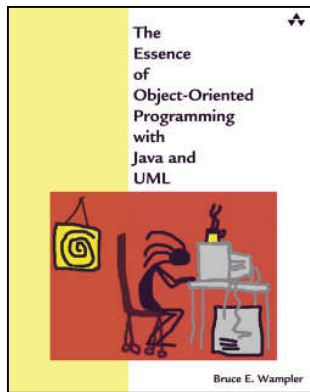

Bruce, Trina, Van, and Risa

Bruce got a new digital camera, as you can see. Sorry about the HTML conversion – not good this time.

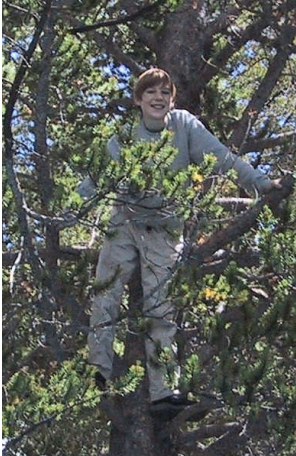

This year, Spring break was in Provo, Turks and Caicos. Great beaches and snorkeling.

Bruce finished his book, and Van drew the cover art!

We spent 2 weeks in Scotland in June. Had a fantastic time.

Risa reading to her cat, Pumpkin. Cats are her current passion. She is 9 and in 4th grade and sings in the school choir.

Van playing his tenor sax at Jazz camp. He's in 7th grade and loves creating and playing music. He is in the school band and Jazz band.

We love to camp and hike in the nearby mountains. The fall colors were outstanding this year.

All the grandparents: Georgia, Lloyd, and Bernie at Risa's birthday.
