

Here's a photo summary of our past year – 2005.

Vacations included Akumal, Mexico in the spring, and a trip to Disney land and the California beach in the fall. We all had lots of fun.

As usual, we did a bunch of hiking and camping in the nearby mountains.

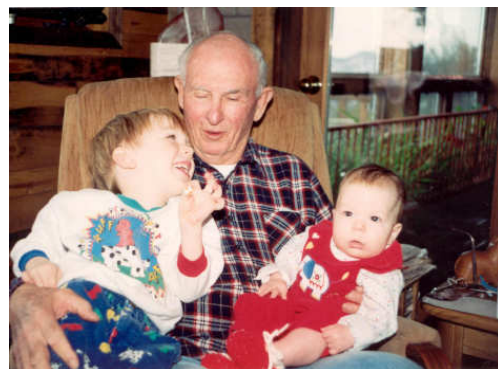

Van is a junior at Glenwood Springs High School, and continues to play music and shoot films. Risa is in 8th Grade at Glenwood Springs Middle School. She is also continuing with playing the piano.

Bruce is still on the School Board, and is working hard on the school construction projects that resulted from last year's bond issue. Trina got a new horse, and has joined Kiwanis.

Bruce's father, Lloyd, passed away in January 2005. We will miss him.

Greetings to all from Bruce, Trina, Van, and Risa.
